

**NOTICE OF PUBLIC HEARING**  
Tennessee Division of Water Pollution Control  
**PH 2007-036**

The division will hold a public hearing to seek comments concerning an application for a state water quality permit from Eagle Ridge Investments LLC (Stillwater Development) NRS #07.176 for the development of a 700 acre +/- development with 495 single-family lots surrounded by an 18-hole golf course, clubhouse, and associated amenities. The proposed development will require the relocation of four out of the nine intermittent streams on the property. Approximately 2200 linear feet of stream is proposed for relocation. In addition, the applicant will construct a span crossing of Nelson Creek, two unnamed tributaries and several golf cart crossings.

A permit is required for alterations to 2200 linear feet of the unnamed tributaries associated with the development.

The project is located near Triune, Tn. between Patton Road and Cox Road just west of State Highway Alternate 31/41. Williamson County.

Persons wishing to comment on or object to the application proposal are invited to deliver oral or written comment at the public hearing. The hearing officer will limit all testimony to relevant water quality issues and may limit testimony in the interest of time. However, all persons desiring to speak will be given an opportunity to do so. Written testimony will be accepted for 10 days following the hearing and will be considered part of the official record. The public is also invited to submit comments in writing to the division at the address printed below. The comments must be received within 30 days from the date of this notice. After considering all public comments, the division will publish a final permit decision and a notice of the division's determinations.

Interested persons may obtain additional information or inspect and copy the application and related documents during business hours at the division's office in Nashville (615-532-0712) at the address listed below.
